President's Letter

A Message from David Ojeman

It has been another successful swim season for the Forest West pool. We had a total of 129 approved pool applications, with 366 pool cards being issued, a total of four private parties to date, and Anna Kinton had 20 people regularly attend her water aerobics classes. The pool will be open on weekends during the month of September. Pool hours will be sent out each week, by email, for the next weekend.

The newly assembled Deed Restrictions Committee met for the first time on September 6th to review our outdated covenants and to start outlining possible changes. The committee consists of two FWCIA board members, Ben Tuma and Tonya Cantu, two Civic Committee members, Jaci Bell and Kendra Yarbrough Camarena, and six residents from the Forest West neighborhood. I would like to thank them for their hard work and dedication to this lengthy process.

FWCIA will now mail the newsletter to residents starting in January. To residents who receive the newsletter in their email and / or who do not wish to have one mailed, please email me and Elizabeth Tuma with your name and address so we can remove you from the mailing list. Our emails will be at the bottom of this letter.

The annual statements will be in the mail the first part of November. Our collection rate for this year has been very good -- at about 96%. As a reminder, if you are past due with your dues, please contact Brent Miller with Beacon Residential Management to arrange a payment plan. Email addresses: David Ojeman - david@forestwest.com | Elizabeth Tuma - elizabeth.fwcc@gmail.com | Brent Miller - brent@brm.com

The next newsletter will be the December issue. Newsletter article submissions will be due by 11:59pm November 24th. Have a wonderful fall season.

July 4th Kids' Parade Was a Success!

Thank you to all of the residents who celebrated Independence Day at the Forest West Annual Kids' Parade. We had 70 participants this year. Our neighborhood Houston Police Officers and Houston Fire Fighters met with residents, and children had an opportunity to explore a real fire truck. Fire fighters explained how the various tools on their fire truck help them to extinguish fires. A large red fire truck led the kids' parade, and children eagerly chased the truck on their bicycles, tricycles, wagons, and strollers. Parade participants went "all out" with their decorations, and many children dressed up especially for the

parade. It was amazing to see so many residents who stepped outside of their homes to greet parade participants as they passed by this year! At the end of the parade, fire fighters attached their fire hose to a fire hydrant and then provided a nice mist for participants to cool off in. Awards were then given to the most festive decorations from the parade, and a delicious meal was provided by the FWCIA and by outstanding food donations from Forest West residents.

Garden Club News: Fall Gardening Tips

Remember to water your lawn and garden well but less often, in order to encourage deep roots. To discourage fungal diseases, avoid watering in the evenings. Put mulch in your garden and shrub beds. Mulching keeps plant roots cooler, helps control weeds and conserves water. Put mulch about 3" deep in your garden and around trees and shrubs. Apply compost around annuals, herbs, and vegetables.

Plant your fall vegetable garden. Your last chance to get tomatoes and peppers in the ground is early September. Between September and January, plant cool-season vegetables such as cauliflower, broccoli, Brussels sprouts, cabbage, kale, mustard, lettuce, and kohlrabi.
